Alabama ARRA Funding by Primary Place of Performance (Comprehensive)

Notes/Key:

Types:
C- Contract SC - Sub-Contract
G - Grant SG - Sub-Grant
L - Loan

All information in this report is based on federal reporting data pulled by the State Recovery Office on 2/7/2011 with the exception of Non-1512 Reporting Program data which is based on state reports. The reporting period for both reports is February 17, 2009 - March 31, 2010. You may download the raw data extract from:

www.Recovery.gov/FAQ/Pages/DownloadCenter.aspx

"Amount Expended" may exceed "Amount Received" because particular grant funding is received on a reimbursement basis.

All Bond and Tax Credit allocations and utilization information is provided by the US Dept of Treasury. To view more information, you may visit the Treasury ARRA website at the link below:

Definitions:

Grant:
An authorized expenditure to a non-federal entity for a defined public or private purpose in which services are not rendered to the federal government.

Contract:
An agreement between the federal government and a private entity, for-profit or non-profit, to execute mandated services for a fee for the federal government.

Loan:
Funds provided to a recipient by a federal agency that will eventually be paid back to the government by the recipient.
