State of Alabama Total					
Notes/Key:	Category	Amount Awarded	Amount Received	Amount Expended	
Types: C - Contract SC - Sub-Contract NSC - Non-State Sub-Contract G - Grant SG - Sub-Grant NSG - Non-State Sub-Grant L - Loan SC and SG indicate sub-grants/contracts of other entities within Alabama; these amounts are not counted in grand totals to avoid double counting. NSC and NSG indicate sub-grants/contracts of entities outside of Alabama; these amounts are counted in grand totals. Sub-Grant/Sub-Contract Amt Received and Amt Expended are not reported. These amounts are included in the prime recipient's totals for in-state grants/contracts but cannot be determined for sub-grants/sub-contracts from outside Alabama. For this reason, the true total amount received or expended by all programs is slightly higher than shown to the right. All data is based on federal reporting data released 1/30/2010 with the exception of Non-1512 Reporting Program data which is based on state reports. The reporting period for both reports is 2/17/2009 - 12/31/2009.	1512 Grants Total	\$2,447,913,430.96	\$708,817,347.64	\$376,435,805.36
